MIDDLE LEVEL SCHOOLS SCHOLAR LEADER AWARDS PROGRAM

2019 Selection Criteria

All decisions concerning selection have a certain subjective element. However, the Maine Association for Middle Level Education and the New England League of Middle Schools urge schools to follow the recommended criteria described below. Selection procedures used at the school must be fair, non-discriminatory, and consistently applied.

It is suggested that two students, one male and one female, be selected from the eighth grade (unless the school has all female or all male students). Seventh grade student recipients are appropriate if that is the highest grade in your school.
